INDUSTRIAL CLEANERS

- 100** VIGOR- Butyl base high alkaline heavy duty hard surface cleaner degreaser
- 105** VIGOR PLUS- Vigor with added butyl
- 110** VIGOR SUPER- Super butyl concentrate
- 115** VIGOR M- Butyl all purpose with inhibitors to prevent against soft metal attack
- 120** VIGOR M PLUS- Vigor M with added butyl
- 125** VIGOR M SUPER- Super butyl concentrate
- 126** POWDERED BUTYL CLEANER- Heavy duty powdered all purpose cleaner
- 128** OIL EATER- NON-BUTYL Conc. Cleaner, degreaser.
- 130** POWER SOAP- High alkaline. free caustic heavy duty degreaser
- 135** 2020- Multi-purpose butyl cleaner. no phosphates heavy detergents, low alkalinity
- 137** 2020 WITH PLEASANT SCENTS- Cherry. Citrus. Lemon & Mint
- 140** NEUTRAL CLEANER- All purpose cleaner Pink and Mild Synthetic Detergent Good sudsing and cleaning WILL NOT HARM FINISH
- 142** PINE DETERGENT DEODORIZER- Neutral cleaner with the power and odor of pine
- 143** ORANGE DETERGENT DEODORIZER- Neutral detergent with odor of oranges
- 144** LEMON DETERGENT DEODORIZER- Neutral detergent with odor of lemon
- 145** MINT DETERGENT DEODORIZER- Neutral detergent with odor of mint

SPECIALTIES

- 166** HAND SOAP (15%)- Coconut oil based hand soap available in 20% and 40% concentrates
- 163** PINK LOTION HAND SOAP (ALMOND SCENT) - Rich. Pearlized lotion soap
- 168** POWDERED HAND SOAP - With borax and soap combination for superior cleaning w/o drying or chaffing
- 181** GLASS CLEANER - Will not streak fast drying 3:1 dilution
- 179** GLASS CLEANER CONCENTRATE dilute To 8:1
- 182** POT & PAN (LEMON SCENTED HAND DISHWASH) - High sudsing and effective grease cutting
- 132** OVEN CLEANER (JELL) - Removes even baked-on grease, fat & carbon. Adheres to vertical surfaces
- 133** OVEN CLEANER (LIQUID)- High caustic liquid, spray or brush on
- 190** TILE & GROUT (ACID) - Acid based cleaner that removes scale, rust and stains in bathrooms and on tile floors & walls

- 174** SAND & SILT REMOVER - breaks up deposits and puts them in solution
- 655** SEWER SWEETNER - Instant odor & mask (see odor control)
- 665** FLOATING REODORANT - Non water miscible re-odorant

ENZYMES

- 610** POWDERED ENZYMES-A scientifically blended concentrate of specially selected and cultured bacteria plus enzymes. Contains activators and accelerators and billions of catalytic bacteria
- 612** LIQUI-ZYME-concentrated liquid enzymes used to liquefy waste and mobilize grease; works to prevent clogging; restores and revitalizes natural biological action
- 630** ENZIP-All new enzyme combination that offers a concentrated enzyme blend, heavy odor counteractants, detergents, wetting agents and emulsifiers

BOILER WATER AND COOLING TOWER TREATMENTS

- 196** BOILER WATER TREATMENT- All purpose boiler water treatment- softens water, prevents pitting and maintains pH control
- 193** COOLING TOWER TREATMENT- Inhibits against corrosion and treats water
- 310** DESCALER (DELIMER (HCL) - Descales boilers & cooling tower systems. Cleans: Pools, water lines, steam cleaners, etc.
- 293** OX-OUT- Oxygen scavenger and remover
- 198** COIL CLEANER (CLING TYPE) - Removes coil build up on fins and coils
- 199** COIL CLEANER (ACID) - Dissolves scale, dirt and other soils

DISINFECTANTS

- QUATINARY DISINFECTANT: DEODORIZER: CLEANER: SANITIZER: VIRUSIDE
- 800** NO ODOR CONCENTRATED DISINFECTANT
- 802 & 828** MINT ODOR DISINFECTANT IN CONCENTRATE AND SUPER CONCENTRATE
- 804 & 824** LEMON ODOR DISINFECTANT IN CONCENTRATE AND SUPER CONCENTRATE
- 805 & 826** PINE ODOR DISINFECTANT IN CONCENTRATE AND SUPER CONCENTRATE
- 820** ODORLESS CONCENTRATE: NO RINSE IS REQUIRED WHEN USED AS A SNITIZER

WEED KILLERS

- 902** Turf King - (Ground Sterilant) Total vegetation killer
- 904** Tri-Lete 252 – Selective weed killer (Super Concentrate) Contains 3 broad leaf vegetation killers in 1.
- 915** GRANULAR WEED KILLER – Long lasting total vegetation killer
- 914** Eliminator- Immediate elimination of weeds, good for aquatic usage.

ACID BASED SPECIALTIES

- 306** METAL PREP & ETCH - Leaves phosphate coat prior to painting
- 310,311,312** MURIATIC ACID-INHIBITED ACID CLEANER - Acid cleaner for a variety of uses, i.e., CONCRETE ETCHER and REMOVER; DESCALER & DELIMER; etc.
- 330** ALUMINUM & STAINLESS CLEANER & BRIGHTENER - Water dilutable hydrofloric type brightener
- 340** RUST REMOVER - Removes rust from iron & steel
-

PAINT STRIPPERS

- 706** THICK PAINT AND GRAFFITI REMOVER - Viscous stripper for removing the toughest coatings from vertical or downward surfaces (Available in non-jell)
- 702** DIP TANK PAINT STRIPPER - Alkaline activated dip tank stripper for many of the toughest phenolic and other resin coatings
- 724** ACID ACTIVATED STRIPPER - Acid activated dip tank stripper for the toughest epoxy, vinyl, and other resin finishes not removed by #702. Requires special handling and equipment during usage.
-

DRAIN OPENERS

- 617** SULFURIC ACID QUARTS
- 618** ALKALINE QUARTS
- 619** ALKALINE DRAIN OPENER-BULK
- 620** ALKALINE POWDERED DRAIN OPENER ENZYMES - See Sewer Treatment
-

ODOR CONTROL

LIQUID ODOR CONTROL

- 655** REGULAR REODORANT - A powerful cherry-mint scented malodor counteract ant deodorizer with immediate and residual odor control, masking ability and malodor destroyer
- 648** LEMON REODORANT - Re-odorant with potent lemon odor
- 645** ORANGE REODORANT - Re-odorant with potent orange odor

DEODORANT GRANUALS

- 650** CHERRY ODOR CONTROL GRANULES (red) - Long lasting cherry odor-highly absorbent
-

SEWER & WATER TREATMENT

SEWER & WATER PLANT TREATMENT DRAINS & GREASE TRAPS

- 468-480** RID -EMULSIFIABLE ORTHO TYPE SEWER SOLVENT DEGREASER ODOR ELIMINATOR AND LIFT STATION CLEANER
- 619** LIFT STATION DEGREASER - Caustic liquid for degreasing lift stations
- 691** ROOT BEGONE- Foaming Root Control for organic & inorganic waste in sewer biodegradable

- 192** TILE & GROUT (NON-ACID)- Tile grout cleaner (Alkaline Based)
- 98** COIL CLEANER CLING TYPE- Removes coil build up on fins & coils
- 199** COIL CLEANER ACID TYPE- Dissolves scale, dirt and other soils
- 178** WATER WETTER-- Increases the wettability & penetration of water
- 173** TANK SAVER- Chemically Inhibits against corrosion
-

STEAM CLEANERS & HI PRESSURE DETERGENTS

STEAM CLEANERS ARE MANUFACTURED IN 5 GRADES FROM MILD TO VERY HEAVY DUTY. CAN BE USED TO CLEAN ANYTHING FROM ALUMINUN TO THE "5TH" WHEEL ON TRAILERS.

- 500** STEAM CLEANER - MILD (ALL PURPOSE)
- 501** STEAM CLEANER - REGULAR
- 502** STEAM CLEANER - STRONG
- 503** STEAM CLEANER - EXTRA GREASE CUTTING
- 508** PRIME - EXTRA HEAVY DUTY (5TH WHEEL CLEANER)
- 520** HIGH PRESSURE DETERGENT -Safe, versatile, non-caustic product for removing numerous oils from industrial, automotive and in-plant equipment
-

AUTOMOTIVE

- 131** WHITE WALL TIRE CLEANER - Concentrated. May be used full strength
- 141** BUS & TRUCK WASH - Concentrated detergents and butyl to remove soot, tar, and grime on vehicles
- 175** WASH & WAX - Cleans vehicle & leaves luster without leaving film
- 180** CONCENTRATED AUTO WASH - Concentrated to penetrate & clean quickly
- 176** REGULAR AUTO WASH - Diluted version of #180
- 400** DEGREASER & ENGINE CLEANER - Multi- purpose emulsifiable solvent degreaser
- 402** DEGREASER & ENGINE CLEANER WATER DILUTABLE - Water dilutable solvent & detergent degreaser
- 186** WINDSHIELD ANTLFREEZE - Concentrated methyl alcohol based
- 187** LIQUID ICE MELTER - Effective ice melter and preventative
- 416** SNOW PLOW WAX - Dries to a non-stick surface
- 188** PERMANENT ANTI-FREEZE

FLOOR CARE PRODUCTS

FLOOR CLEANING AND MAINTENANCE

- 140** NEUTRAL FLOOR CLEANER- mild cleaner leaves shine. Will not harm finish
- 248** SPRAY BUFF-Spray on and buff to bring back original shine
- 147** SCRUBBAMATIC- Special formula for floor scrubbers – low foam
- 270** DUST MOP TREATMENT-OIL BASED- Traps dust in air and on floors. Cleans and restores shine
- 269** DUST MOP TREATMENT-WATERL BASED
- 194** SWEEPING COMPOUND- Wax type sweeping compound for all floors
- 195** OIL ABSORBENT- All purpose absorbent for any floors

STRIPPERS

- 153** BLITZ - Use as one step stripper & pick up with wet vac. Removes all floor polishes, waxes & acrylics
- 156** FLOOR STRIPPER - Fast effective synthetic stripper
- 158** Ammoniated Floor Stripper - 156 with ammonia
- 706** URETHANE & VARNISH STRIPPER - Non flammable viscous stripper

FLOOR CARE

Metal Interlocked Acrylic-Polymer Floor Finishes

- 214-225** DURA BRIGHT- Acrylic emulsion polish-long lasting, non-slip hi shine (14 to 25 %)
- 230-234** CHRYSTAL BRIGHT- A hi -speed buffable, slip resistant, hi gloss finish (16%, 18% & 20%)
- 246** REVITALIZE- New finish restorer and cleaner that brings back shine. A time and money saver
- 248** SPRAY BUFF- Spray on & buff to bring back original shine
- 670** 5 GAL KIT 1A & 1B + 30LBS. AGGREGATE
- 690** CHUCK HOLE- Cold patch for pot-holes

FLOOR SEALERS

- 254-258** Metal Interlocked Acrylic-Polymer Floor Sealers - 14%, 16% and 18% availability

POLYURETHANE FINISH & SEALERS

- FOR CONCRETE, WOOD, GYM FLOORS AND EQUIPMENT**
- 438** 40% Solids very hard hi gloss coating & finish
- 440** 30% Solids absorbs in surface and seals

RUG AND CARPET CARE

- 170** RUG SHAMPOO- Hi foam concentrated rug shampoo
- 171** CARPET STEAM EXTRACTOR- Concentrated and economical
- 402** SOLVENT CARPET CLEANER-Add to detergent water or spot clean
- 172** DEFOAMER- Concentrated: Use wherever foam control is required
- 159** ANTI-STAT- Inhibits static build up & dissipates static charge
- 630** EN-ZIP ODOR CONTROL STAIN REMOVER & CLEANER- Instant odor control with enzymes to remove organics (pet stains, blood, milk, etc.)

FIRE FIGHTING PRODUCTS

- 697** FIRE FIGHTING FOAM- aqueous film forming foam good for class A & B fires
- 627** TANK SAVER- protects against rust & corrosion
- 395** WATER WETTER-increase the wetting & penetrating ability of water
- 158** NO-MORE VAPOR-suppress flammable or explosive vapors, emulsifies & dispenses fuel solvents & oils

SOLVENT BASED CLEANERS

CLEANERS & DEGREASERS

- 400** EMULSIFIABLE SOLVENT DEGREASER - Removes & solubilizes oil & grease
- 401** #400 WITH POWER & SCENT OF PINE
- 402** DEGREASER PLUS - A spectacular, versatile, water dilutable product, combining emulsified solvents and active detergents for economical solvent cleaning and degreasing
- 405** SAFETY SOLVENT-NO FLASH - Very fast drying
- 406** SAFETY SOLVENT BLEND - Hi-flash degreaser
- 408** TAR & ASPHALT REMOVER - Eases tar & asphalt removal
- 409** JELL SOLVENT DEGREASER - Solvent degreaser that clings
- 422** MINERAL SPIRITS - Solvent extender and small parts cleaner
- 427** BLANKET & ROLLER WASH - Cleans blankets & rollers without leaving residues
- 432** CABLE CLEANER - Cherry odor degreaser for cable jelly, tools and equipment
- 450** ORANGE PLUS - ORGANIC CITRUS DEGREASER. This water dilutable product is the safe answer to sewer maintenance, degreasing, deodorizing, etc.
- 455** ORANGE DEGREASER - Super Versatile Citrus Product derived from a natural citrus bi-product and extenders. Use for sewer maintenance, degreasing, deodorizing, ink removal, etc.

SOLVENT SPECIALTIES

- 417** ANTI ADHESION - Protective coating for non stick surface
- 418** RUST PREVENTATIVE - Prevents rust on metal surfaces

LUBRICANTS & CUTTING FLUIDS

- 415** SILICONE LUBRICANT - Lubricates, waterproofs, & prevents rusting
- 419** PENETRATING OIL - Freezes rusted, frozen, and corroded parts
- 197** SOLUBLE CUTTING OIL - Oil based water dilutable metal working lubricant. Cleans, protects & prevents rust
- 189** SYNTHETIC CUTTING FLUID - A clear synthetic lubricant for the machining, cutting and grinding of ferrous and non-ferrous metals DOES NOT CONTAIN NITRITES
